### Before You Start:

The link to Library2Go is found on the library's homepage, [gflibrary.com](http://gflibrary.com).

To use the Library2Go system, you must have:

- ▶ A Grand Forks Public Library card
- ▶ A working e-mail address
- ▶ A home computer or portable device on which to use material.

### To utilize Library2Go , patrons' computers will also require\*:

- ▶ **Adobe Digital Editions** for audiobooks and videos
  - Adobe recommends using an Adobe ID to activate. If you do not have an Adobe ID, click "get an Adobe ID online" and follow the prompts.
- ▶ **Overdrive Media Console** for PDF and EPUB e-books.
  - OverDrive Media Console will need a security upgrade before it can be used. Click on "Tools," then select "Windows Media Player Security Upgrade."
- ▶ **iTunes** is required if a patron plans to use their iPod.
  - You will need to enable "manually manage music and videos." Connect your iPod, open iTunes, and select your iPod's name. Under the summary tab, select "manually manage music and videos."

\* NOTE: If you are using an Amazon Kindle, you do not need to download any extra software.

### Step 1: Browse:

To browse for an item, you can utilize the search box, the advanced search too, or any collection search.

When you find a title that interests you, the icons tell you how this item can be played:

For example, this audiobook can be used on a personal computer, burned to personal CDs, or used on an iPod or Windows Media Player.

Make sure that the item you want to check out is compatible with your device!

### Step 2: Check Out:

- ▶ You can only check out available titles.
  - An available title will have an "add to eCart" button on the right side. Select this option. Your title will remain there for thirty minutes.
  - Click "proceed to checkout."
- ▶ If the item you want is not available, it's easy to **put on hold!**
  - Click "Join Waiting List"
  - Enter and confirm a valid e-mail address
  - Click "Join Waiting List" again.
    - The item is now on hold, and you will be notified via e-mail once it is available for download

### Step 3: Download:

After checking out a book, audiobook, or movie, you will be immediately prompted to download the item.

If you do not wish to download the item right away, you may do so at any time within your checkout period. You will find the download again under "My eAccount" → "My Items Out."

- ▶ Kindle Books may be downloaded wirelessly:
  - Click the gray "Get for Kindle" button.
  - Click the "Get Library Book" button.
    - Log in to Amazon.com
    - Select your Kindle device to receive wireless delivery of your item.
- ▶ Other items will be downloaded through Adobe Digital Editions or the Overdrive Media Console.
  - Click the gray "download" button.
  - Select the length of your lending period
  - Click on "Confirm Check Out" to download your item.
    - Either Adobe Digital Editions (for eBooks) or Overdrive Media Console (for audiobooks or movies) should open automatically.

### Returning Items Early:

You may have up to five items at a time on your account. Items will remain on your account for the entire lending period until they expire or you manually return them.

- ▶ You can return Kindle books through your Amazon.com account
- ▶ You can return other eBooks through Adobe Digital Editions
- ▶ MP3 audiobooks are returned through the Overdrive Media Console
